

**Regulation No. 1/2023**

**of the Dean of the International Environmental Doctoral School (IEDS) associated with the Centre for Polar Studies at the University of Silesia in Katowice of 24 January 2023 on the announcement of the recruitment schedule at IEDS for the academic year 2023/2024.**

Pursuant to § 6 (1) of Resolution No. 352 of the Senate of the University of Silesia in Katowice of January 24, 2023 on recruitment requirements and the mode of recruitment to the International Environmental Doctoral School (IEDS) associated with the Centre for Polar Studies at the University of Silesia in Katowice for the academic year 2023/2024, I order the following:

§ 1

I am announcing the schedule of the recruitment procedure for the International Environmental Doctoral School associated with the Centre for Polar Studies at the University of Silesia in Katowice (IEDS) for the academic year 2023/2024 in the wording constituting the appendix to this regulation.

§ 2

The regulation enters into force on the date of signature.

DEAN OF IEDS

Mariusz Grabiec, PhD, DSc, Associate Professor of the University of Silesia

**Recruitment schedule at the International Environmental Doctoral School associated with the  
Centre for Polar Studies at the University of Silesia in Katowice for the academic year 2023/2024**

1. June 27, 2023 — opening an online registration for candidates through the online candidate registration system (hereinafter OAS).
2. August, 25 2023 — closing of an online registration for candidates, i.e. opening an account in OAS, paying the recruitment fee (the date of the transfer is decisive) and entering the required information and documents.
3. September 1, 2023 — deadline for submitting documents referred to in § 8 (5) (8) of the Resolution No. 352 of the Senate of the University of Silesia in Katowice of 24th January 2023 on recruitment requirements and the mode of recruitment to the International Environmental Doctoral School associated with the Centre for Polar Studies at the University of Silesia in Katowice for the academic year 2023/2024 (outline of the doctoral project, list of candidate's academic achievements, documents confirming academic achievements and other documents specified in the recruitment criteria).
4. September 7, 2023 – evaluation of the outline of doctoral projects (1st stage of the recruitment procedure) and assessment of the scientific achievements of the candidates (2nd stage of the recruitment procedure) by the Recruitment Committee.
5. September 8, 2023 – providing candidates with information about the results of the 1st and 2nd stage of recruitment and about admission or non-admission to interviews, as well as informing them about the date and place of interviews. This information is sent to the e-mail addresses provided in OAS.
6. September 11-13, 2023 — interviews with candidates (3rd stage of the recruitment procedure).
7. September 15, 2023 — notification of candidates about the recruitment results.
8. September 18-21, 2023 — receiving documents from candidates qualified for admission and entering them on the list of doctoral students.
9. September 22, 2023 – notification of admission to candidates on the reserve list.
10. September 25-28, 2023 – receiving documents from candidates qualified for admission from the reserve list and entering them on the list of doctoral students.
11. September 29, 2023 — the date of announcing the results of the recruitment procedure on the IEDS website.
